Sources: Family Expenditure Survey and Expenditure and Food Survey; Office for National Statistics.

Note: Repayments include capital, interest and endowment premiums, and are the average for all homebuyers with outstanding mortgages. From 2006 the reporting period for the Expenditure and Food Survey became the calendar year. For 2008, endowment premiums for North East England, London, Wales and Northern Ireland are based on fewer than 20 recording households, consequently their figures should be regarded with extra caution.
