Notes: In 1996/97 Scottish authorities were required to set aside 25 per cent of gross capital receipts against HRA debt. In 1997/98 the set aside requirement was increased to 75 per cent. Provision for non-HRA investment is now included within a combined local government services block. HRA borrowing figures for 1995/96 and 1996/97 include £107 and £83 million respectively for the purchase of new town stock. Other Initiatives: an element of the expenditure on Community Ownership is included in Communities Scotland figure and expenditure on Empty Homes Initiative included in the Communities Scotland line in Table 81.
