Notes: The reduction in grant to the Northern Ireland Housing Executive (NIHE) in 1989/90 follows some £366 million of NIHE debt being written off. This had a neutral impact on the NIHE programmes. Provision for voluntary housing is net of capital receipts. NIHE net lending figures from 1997/98 onwards are negative, as debt repayments exceed planned new investment. Grant to the Northern Ireland Housing Executive (NIHE) in 2003/04 includes additional spending of some £48m on the Supporting People Programme.
