Notes: Excludes members of the armed forces, economically active full-time students and those who were unemployed and had never worked. For 2003 'Never worked and long term unemployed' are included as a separate category. Skilled manual includes own account non-professionals. Semi-skilled manual includes personal service. 2003 figures include private lettings with a job or business within unfurnished and furnished lettings. They are also for the household reference person.

1. From April 2001 the National Statistics Socio-economic classification (NS-SEC) was introduced for all official statistics and surveys. It has replaced Social Class based on Occupation and Socio-economic Groups (SEG).
