Sources: Housing trailers to the 1984 and 1991 Labour Force Surveys, Survey of English Housing 2003/04.

Notes: Other economic inactive includes people who were permanently sick or disabled, in full-time education or looking after the family at home. The figures for 2003/04 are for the household reference person. Sample sizes for outright owners and housing association tenants in 2003/04 were too small to provide informative figures.
