Sources: See Tables 62, 63, 64, 76 & 83. English private finance figures are author's estimates based on grant levels and outturn grant rates.

Notes: English figures include HAG on deferred interest, but exclude expenditure under the rough sleepers, ERCF and other 'non-ADP' programmes. In Scotland and Wales, councils provided their funding for housing associations through Scottish Homes and Housing for Wales. Scottish figures exclude provision for NLF repayments, expenditure on Scottish Homes' properties and 'GRO' grants to private developers. 'Housing corporations' include Housing for Wales (Tai Cymru), and Communities Scotland; these are now part of the respective administrations of the Welsh Assembly and the Scottish Parliament. English figures for local authority investment in 2001/02 onwards are estimates.
