2. Includes women's refuges.

3. Includes dwellings leased by local authorities from private landlords for years prior to 1991.

4. Figures for households accepted as homeless, but that remained in their existing accommodation pending rehousing, were not collected before 1991. Figures for homeless at home cases where the main homeless duty was accepted were only collected from 1997. The wider series of all homeless at home cases was discontinued after March 2005.
