Sources: Housing Statistics, Welsh Housing Statistics, Scottish Government.

- Notes:
1. No new grants were made under the 1985 Act in England and Wales after June 1990; although payments continued for grants made before that date.
 2. Figures on the residual numbers of grants paid in England and Wales ceased to be collected at the end of June 1995 and end of December 1996 respectively.
 3. The Local Government & Housing Act 1989 never applied in Scotland.
 4. Figures for Scotland are for financial years from 2008. As from 2009/10 the Scottish Government's 'Scheme of Assistance' replaced earlier provisions (see Table 29b).

Sources: Housing Statistics, Welsh Government, Scottish Government.

Notes: 1. The 1996 and 2002 grant regimes were applicable only in England and Wales.

2. Figures for Scotland relate to the 'Scheme of Assistance' framework established under the Housing (Scotland) Act 2006. Renewal grant numbers relate specifically to 'grants' and exclude non-financial help provided under Scheme of Assistance powers.

3. For England, DFG figures include both mandatory and discretionary grants; for Wales only mandatory grants are included. Renewal grants include renovation grants, HMO grants, common parts grants and home repairs assistance grants.
