Source: Department for Communities and Local Government, Homelessness Statistics (Live Tables 770, 773).

Notes: Separate figures for domestic violence and young person cases are not available for 1991 or earlier years. Percentages do not always add to 100 as a result of roundings. There is a major discontinuity in the figures for acceptances of non-priority need households following the introduction of the Housing Act 1996 provisions in January 1997.
