Other sources	2	2	0	1	16	1	0	2	4	1	1
Total	100	100	100	100	100	100	100	100	100	100	100

Source: Living Costs and Food Survey 2013 as published in Family Spending 2014, Office for National Statistics.

Notes: Pensions and annuities exclude social security benefits. Social security benefits exclude housing benefit and council tax benefit (rates rebate in Northern Ireland).

All tenants whose accommodation goes with the job are allocated to 'rented privately', even if the landlord is a local authority or housing association, or if the accommodation is rent free. Unfurnished includes partly furnished.

Small percentage figures on sources of income for private rent free and furnished sectors should be treated with caution.
