Notes: 'Non-private lodgers' are lodgers who are members of owner-occupier or social rented sector households. Such lettings were not identified in the 1988 and 1990 surveys.

Lettings not accessible to the public include tied tenancies, lettings of student residences, and lettings at low rents to friends and relatives. Pre-1989 protected shorthold lettings have been grouped with the various forms of assured tenancies, but legally they are a form of regulated tenancy.
