Sources: See tables for local authority gross investment in each country, except for England 2008/09-2013/14 total figures only from Local Authority Capital Expenditure and Receipts, England 2013.

Notes: England split between capital provision and local resources estimated for 2008/09-2013/14 on basis of 2007/08 figures.

Capital provision includes all supported borrowing, and capital grants, including provision for the Estates Action and ALMO programmes in England. Local resources comprise the use of capital receipts and RCCOs (revenue contributions to capital outlay; in Scotland, capital funded from current revenue). Welsh capital provision figures include capital vired to Housing for Wales for local authority housing association schemes (for the years to 1997/98).

Scottish figures for 1995/96 and 1996/97 exclude provision for transfers of existing new town stock.

Scottish figures for years from 1998/99 include estimated borrowing/capital receipts split for funding of non-HRA investment.
