Sources: Northern Ireland Expenditure Plans and Priorities, Cm 4217 and predecessor volumes, Department of the Environment for Northern Ireland, Department for Social Development, Northern Ireland Housing Executive, Northern Ireland Executive Budget 2011-15.

Notes: The reduction in grant to the Northern Ireland Housing Executive (NIHE) in 1989/90 follows some £366 million of NIHE debt being written off. This had a neutral impact on the NIHE programmes. Provision for voluntary housing is net of capital receipts.

NIHE net lending figures from 1997/98 onwards are negative, as receipts and debt repayments exceed planned new investment.
