Source: Department for Communities and Local Government.

Notes 1. Summer 2010 count using 'old' methodology.

2. Autumn 2010 and subsequent counts using revised methodology as for Table 95a.

3. Authorities shown are those with the highest counts in 1998-2010 of those that had rough sleepers on the date of survey in 2011. 2012 figures for Exeter and Cambridge and 2013 figures for Birmingham and Camden are estimated by the LA rather than based on street counts. A full list of LA returns is available at [www.gov.uk/government/collections/homelessness-statistics#rough-sleeping](http://www.gov.uk/government/collections/homelessness-statistics#rough-sleeping)
