Notes: Earnings figures are average Northern Ireland full-time earnings excluding overtime. Figures up to 1997/98 come from the New Earnings Survey, subsequent figures come from the Annual Survey of Hours and Earnings NIHE rents are for the December of the year.

Housing association gross rent figures include rates as well as service charges; from 2010/11 onwards they are also shown net of rates and service charges. Private rents exclude rent free and come from the Family Resources Survey. Due to the small sample size the private rent figures for Northern Ireland should be treated with caution.
