Source: HM Treasury, Public Expenditure Statistical Analyses, Cm 9648, 2018.

Notes: 1. Figures are the sum of resource and net capital DEL for each department. They are net of depreciation and do not include local authority self-financed expenditure.

2. Total DEL for 2012/13 is adjusted by -£868 million for a 'Budget Exchange' carried forward from 2011/12.

3. Provision for personal social services (health) switches from the Health line to the MHCLG Local Government line from 2011/12.

4. The Department for Business, Innovation and Skills and the Department of Energy and Climate Change merged in July 2016 to form the Department for Business, Energy and Industry Strategy. Simultaneously, some functions transferred to other departments, including Education (skills) and International Trade.

5. MHCLG Local Government figures from 2013/14 reflect adjustment to local government funding to the localisation of business rates and council tax benefit.

6. The Chancellor's Departments line includes the DEL for HM Revenue and Customs plus HM Treasury to permit comparisons over time.

7. The Cabinet line includes the DEL for the Cabinet Office and the Single Intelligence Account to permit comparisons over time.

8. The Scottish Government's DEL has been adjusted to reflect the devolution of taxes in accord with the method detailed in the Scottish Government's fiscal framework agreement.

9. Includes planned efficiency savings.
