Notes: 1. Includes grants under 1985, 1989 and 1996 Acts for repairs and improvements. Disabled facilities grants under the 1989 and 1996 Acts only apply in England and Wales.

2. Until 2009 the 1985 Act continued to operate in Scotland, and made no separate provision for disabled facilities grants. From 2003, figures are for financial years.

3. From 2010, Scotland figures reflect grants made under the Scheme of Assistance established by the Housing (Scotland) Act 2006. Figures for expenditure on loans and other forms of financial assistance are shown separately.

4. English figures for disabled facilities up to 2003/04 include both mandatory and discretionary grants. From 2004/05, only mandatory grants are included. From 2011 DCLG no longer publishes data on disabled facilities grants.

5. English figures for private sector improvement grants, and loans and forms of financial assistance are extracted from the Local Authority Housing Statistics dataset.
