Note: Figures in Tables 53d, e & f are for government office regions; figures in Tables 53a, b & c are for standard statistical regions. Regional figures do not precisely match totals for England and Wales, as while the total figures are subject to revision, corresponding revised regional figures are not published. Percentage figures are based on the distribution of the sum of the regional figures shown rather than the revised total figures shown for England and Wales. Figures for 1996 to 1999 may be found in previous editions of the *Review*.
