- Notes:
1. Local authority average rents relate to all properties in management as at April in each year. Guideline rents refer to the financial year.
 2. Housing association rents from 2004 are for financial years and relate to dwellings let in the year only. HA rents for all years exclude service charges.
 3. Private market rents for years prior to 2002/03 are those determined by the Rent Officer when referred for housing benefit purposes. Those from 2011 are from the Valuation Office Agency.
 4. Private sector rent figures from 2001 onwards are for financial years. The all lettings figures include rents for regulated as well as assured tenancies; but exclude rent-free lettings.
 5. Earnings figures are average earnings for England for all adults in full-time work.
