Note: Repayments include capital, interest and, until 2016/17, endowment premiums. These are the average for all homebuyers with outstanding mortgages. From 2006 the reporting period for the Expenditure and Food Survey became the calendar year, reverting to the financial year for 2014/15 (figures for which have been omitted here). From 2008, endowment premiums for an increasing number of regions are based on fewer than 20 recording households.
