* In previous editions of the *Review*, this was Table 104.

Sources: Scottish Government Housing Statistics for Scotland (lettings) and Scottish Housing Regulator Annual Scottish Social Housing Charter.

- Notes:
1. Lettings to new tenants include waiting list, homeless, National Mobility Scheme and other lettings, but exclude transfers and mutual exchanges.
 2. Figures also include lettings of general needs dwellings owned by other agencies to whose stock the local authority has nomination rights.
 3. Data were not collected for 2000/01.
