Notes: 1. Figures prior to 2009 are from DWP Summer Budget Expenditure and Caseload Statistics and are averages for the financial year. Stat-Xplore figures from 2009 are for May of each year, except 2016 which are from August.

2. Separate statistics for housing association tenants have only been collected since May 1992 and statistics for private and housing association claimants may be incomplete prior to 2008.

3. Universal credit statistics are based on households in receipt of a housing payment. All UC statistics are experimental and are subject to revision, especially those for 2020.
