- Notes:
1. Renovation grants paid to private owners in England and Wales under the Regulatory Reform Order 2002, Housing Grants, Construction and Regeneration Act 1996, Local Government & Housing Act 1989, Housing Act 1985 and earlier Acts and in Scotland under the Housing (Scotland) Act 1987 and Housing (Scotland) Act 2006.
 2. Figures for the years before 1992 are only available for standard regions, not for government office regions. 1990 and 1991 figures are therefore only shown for the government office and standard regions with the same boundaries. Figures for regions for 1990-94 are not fully complete and do not sum to the English total.
 3. No new grants were made under the 1985 Act in England and Wales after June 1990; although payments continued for grants made before that date.
 4. Renewal grants paid under the 1996 Act and the 2004 Reform Order include renovation grants, HMO grants, common parts grants and home repairs assistance grants.
 5. England data from 2011/12 onwards report on grant expenditure and the total number of dwellings improved with all forms of assistance but not the numbers of grants awarded.
 6. Figures for Scotland prior to 2008 are for calendar years. Figures from 2010 refer to the number of non-disabled approved grants under the 'Scheme of Assistance' framework established under the Housing (Scotland) Act 2006.
 7. Figures for 1995-2001 for England and Wales should be treated with caution as they are based on a combination of data reported on a financial and calendar year basis.

2. Figures for Wales refer only to completed mandatory grants, which include a small number of mandatory grants made to local authority and housing association tenants.

3. Figures for Scotland relate to grant approvals under the 'Scheme of Assistance' framework established under the Housing (Scotland) Act 2006.
