- Notes:
1. Figures are for lettings to tenants new to a particular local authority. They include lettings to former social tenants but excluding mutual exchanges.
 2. Data for standard statistical regions are shown from 1980/81 to 1997/98 and for government office regions from 1988/89 onwards.
 3. Lettings figures include fixed-term and Affordable Rent lettings but exclude non-secure lettings to homeless households from 2003/04.
 4. The data for 2019/20 are incomplete and should be treated as provisional.

Notes: 1. Figures are for lettings to tenants new to the social rented sector and exclude lettings to households that rented their prior home from a social landlord.

2. Letting figures include fixed-term and Affordable Rent lettings but exclude non-secure lettings to homeless households.

3. Regional totals may not sum to 'England' due to MHCLG rounding. Figures also do not precisely match those in Table 95 due to minor revisions to national level statistics. Figures in Table 95 should be used if quoting figures for England.

4. The data for 2019/20 are incomplete and should be treated as provisional.
