Sources: Northern Ireland Executive Expenditure Plans, Northern Ireland Executive Budget 2011-15 & 2015/16. NI Department for Communities Housing Statistics and NIHE supplied figures.

- Notes:
1. The reduction in grant to the Northern Ireland Housing Executive (NIHE) in 1989/90 follows some £366 million of NIHE debt being written off. This had a neutral impact on the NIHE programmes.
  2. Budget provision for voluntary housing is net of any capital receipts or grant repayments and is adjusted to outturn.
  3. NIHE net lending figures from 1997/98 onwards are presented as negative, if receipts and debt repayments exceed capital investment in NIHE stock.
  4. Home improvement grants etc figures include grants for housing adaptations, repairs, renovation and replacement but do not include provision for warm homes grants.
  5. Energy efficiency figures include warm homes scheme expenditure to 2014/15, the affordable warmth scheme expenditure from 2014/15 and the boiler replacement scheme expenditure from 2012/13.
  6. Figures for co-ownership are only available back to 2004/05; in previous years they are included in the voluntary housing figures.
  7. NIHE also received Covid-19 related funding that equated to £24 million in 2020/21 and £15 million in 2021/22.
