Sources: DWP Benefits Expenditure and Caseload tables, DWP Outturn and forecast tables Spring 2018, Annual Statistical Enquiries, and Parliamentary Question 9/7/91.

Notes: 1. Annual expenditure figures are for the financial year. All other figures are for May of each year, except 2011 which is an estimate for 2011/12.

2. Figures prior to 1990 show mortgage interest liabilities taken into account in calculating income support claims not subject to restrictions applied in the initial period of an income support claim and (before that) supplementary benefit.

3. From 1990 onwards the average mortgage amount is based on actual cash received, net of non-dependant deductions etc.

4. From 1988 to 1995 the average weekly mortgage interest was somewhat depressed by regulations restricting new claims to 50 per cent of eligible mortgage costs during the first 16 weeks of a claim.

5. Figures from 1996 reflect further restrictions on initial help with mortgage costs introduced in October 1995.

6. From 1998 onwards the figures also reflect jobseeker's allowance. Figures from 2004 include provision via pension credit.

7. On 6 April 2018, support for mortgage interest stopped being paid as a benefit and became an interest-bearing loan (see Table 107).

Source: DWP Benefits Expenditure and Caseload (tables 3a,3b,3c).

Notes: 1. Due to changes to data methods the figures for the years to 2003/4 are not strictly comparable with those for subsequent years.

2. Caseloads stated in these tables are rounded to the nearest 1,000, for this reason totals may not appear to sum.

3. On 6 April 2018, support for mortgage interest stopped being paid as a benefit and became an interest-bearing loan (see Table 107).

Sources: DWP Benefits Expenditure and Caseload and Support for Mortgage Interest Statistics.

Notes: 1. Figures represent a combined total of income support, income-based jobseeker's allowance and from 2004 pension credit claimants with mortgage interest payments included in their benefit.

2. Average weekly amounts are housing requirements paid to claimants with mortgage interest payments, and include the amount of allowed mortgage interest together with any other allowable housing costs (such as ground rent).

3. Figures up to and including 1992 are based on a 1% sample. From 1993 figures are based on 5% sample data.
