Notes: 1. Receipts shown are the selling price of dwellings sold, net of discounts. They comprise initial receipts plus the value of any mortgages granted by the local authority or new town. Scottish figures include Scottish Homes capital receipts.

2. Annual receipts in Wales for 2021/22, 2022/23 and 2023/24 were under £1 million, hence the GB and English totals for these years can appear the same after rounding.
