Notes: 1. From 2000/01, the figures relate to placements as at financial year end (i.e. Q4 from January to March 2001) onwards. Before this they were for the calendar year end (i.e. Q3 from October to December).

2. Figures are for households placed in temporary accommodation by local authorities. Most have been placed under the main homeless duty but some have been placed pending the outcome of further enquiries.

3. The term main duty owed but no accommodation secured refers to households accepted as homeless but who have either remained in accommodation from which accepted as homeless or have made their own arrangements for temporary accommodation.

4. There was a sharp rise in B&B placements in January to June 2018 due to improvements in local authority classification and reporting of shared annexes, which were formerly reported as self-contained provision.

Notes: 1. See notes for Table 90a. Totals may not equal the sum of components because of rounding by MHCLG.

2. Figures from 2018/19 are mainly sourced from H-CLIC returns. Not all households living in temporary accommodation were included in the transfer of cases onto H-CLIC, a problem largely associated with London Boroughs.

Caution should be applied when comparing figures from 2018/19 with those for earlier years.

Notes: 1. All figures are a snapshot of those in temporary accommodation at end December prior to 2015/16 and as at 31 March from 2015/16. The latter is consistent with statistics reported from the rest of GB.

2. For figures for earlier years (which are for different categories of accommodation) see Welsh Housing Statistics 1997.

3. Private sector leased accommodation includes properties leased by local authorities and RSLs.

4. Due to legislative and related data collection changes, figures from 2015/16 are not yet classified as national statistics and should be treated with caution.

5. Disclosure control rules applied by Welsh Government mean figures for 'other' have been suppressed and figures do not always sum precisely.

Notes: 1. All figures are for homeless households in temporary accommodation as at 31 March each year.

2. Local authority dwellings include Glasgow Housing Association from 2003 to 2005 inclusive. Thereafter combined local authority and housing association figures were issued until 2020/21.

3. Figures do not always sum due to rounding of accommodation statistics by Scottish Government since 2016/17. Also annual total for 2017/18 to 2021/22 have been updated.

4. Households accommodated in a women's refuge were published for the first time in 2020/21. Prior to this they were included in 'other'.
